CCWC 15th ANNUAL CONFERENCE

LEGISLATIVE & EDUCATIONAL FORUM

INFORMATION. EDUCATION. INSPIRATION.

YOU'LL WANT TO BE A PART OF THIS.

The California Coalition on Workers' Compensation (CCWC) is dedicated to providing the leadership, education, and advocacy that are essential to an equitable and efficient workers' compensation system. Each year, we demonstrate this focused commitment by presenting a content-rich conference that addresses all aspects of the industry.

At the CCWC conference, you'll find participants from the areas of human resources, health and safety, risk management, and claims – as well as medical professionals and service providers. It's the place where leaders, key decision-makers, and employers gather to experience and share diverse perspectives ... energetic interactions ... and enough stimulating input to keep ideas brewing and evolving long after the conference ends.

CONNECT WITH PEOPLE WHO WANT TO HEAR WHAT YOU HAVE TO SAY.

The CCWC annual conference provides heightened brand visibility, offering you a captive audience in search of information, ideas, and solutions. Attendees are here because they want to be educated and inspired, and their enthusiasm gives you a valuable promotional opportunity. With this concentration of interested participants, marketing is a breeze.

IT'S COMPREHENSIVE. EXPANSIVE. AND FESTIVE, TO BOOT.

In addition to offering a broad scope of industry news and creating an atmosphere for unparalleled networking, the CCWC conference is the most reasonably priced forum in the workers' compensation industry. What's more, you can enjoy significantly discounted rates at *Disney's Grand Californian Hotel*® & Spa, as well as exclusive deals on *Disneyland*® Resort Theme Park tickets. Whether your goal is to make valuable connections, have a good time in the process, or enjoy a combination of the two, this is where it all happens.
