**Subject: AB 1331 (Elhawary) – Workplace Surveillance
NEUTRAL, As Amended on 6/19/25**

Dear Assemblymember Elhawary,

The California Coalition on Workers' Compensation (CCWC) is an association of California's public and private sector employers that advocates for a balanced workers' compensation system that provides injured workers with fair benefits while keeping costs low for employers. Our members include not only businesses of every size, but also cities, counties, schools and other public entities. June 19, 2025 amendments resolved our most significant concern related to surveillance related to suspected workers' compensation fraud, and for that reason we are removing opposition.

Respectfully,
