ABOUT CCWC

The California Coalition on Workers' Compensation (CCWC) is a member-driven alliance renowned for powerful advocacy and comprehensive educational outreach. Positioned at the forefront of legislative and regulatory reform, our organization enjoys a vantage point that enables us to make our voices heard for the benefit of public and private sector employers and their workers throughout the state.

CCWC's legislative advocates work with state lawmakers and regulators to influence and incite change on behalf of our members, altering the face of workers' compensation in ways that no other enterprise can. With a firm commitment to serving those who depend on us, CCWC is steadfastly focused on ensuring an equitable and efficient workers' compensation system for employers, employees, and the state of California.

ABOUT THE ANNUAL CONFERENCE: LEGISLATIVE & EDUCATIONAL FORUM

CCWC's Annual Conference is the industry's premier educational and networking event. Each year, we present a content-rich forum that brings together the best of the best, representing the areas of human resources, health and safety, risk management, and claims – as well as medical professionals and service providers.

It's the place where leaders, key decision-makers, and employers gather to share diverse perspectives, energetic interactions, and enough stimulating input to keep ideas brewing and evolving long after the conference ends.

WHY BECOME AN EXHIBITOR/SPONSOR

Quite simply, the Annual Conference puts you in touch with people who want to hear what you have to say. It allows you to connect with a captive audience in search of information, ideas, and solutions, making it the ideal opportunity to demonstrate how your products and services can meet their needs.

The sheer number of attendees gives you a significant promotional edge and heightened brand visibility. What's more, the conference poses a chance to grow your network, foster relationships with stakeholders in the workers' compensation arena, and learn about key issues and trends that shape the industry.

The failure of either party to enforce any right or obligation under this Agreement shall not be deemed a waiver thereof and shall not prevent the later enforcement of any right or obligation hereunder.
