

# C'mon. Let's finally do this.

## CCWC 18<sup>th</sup> Annual Conference

LEGISLATIVE & EDUCATIONAL FORUM

PRESENTED BY **June 8-10, 2022** *Disney's Grand Californian Hotel® & Spa | Anaheim, CA*

## 2022 SPONSORSHIP AND EXHIBIT OPPORTUNITIES

Some things are worth waiting for, and the CCWC Annual Conference is one of them.

**A**fter a few false starts and COVID roadblocks, we're pleased to report that the California Coalition on Workers' Compensation (CCWC) Annual Conference is back — and better than ever.

We've had a lot of time to spend planning and prepping, so you can count on an event of the highest order. All the important players will be in attendance — representing human resources, health and safety, risk management, and claims. You'll find an impressive lineup of medical professionals, service providers, key decision-makers, and employers, and they all want to hear what you have to say.

This is the place to heighten your brand visibility. To inform. Educate. Inspire.

Folks have waited two years for this. They'll be really happy to see you.

### Exhibitor Fees and Opportunities

Due to the imperative of social distancing, exhibit space will be limited this year. It is therefore essential to reserve a booth as soon as possible to ensure your participation. We are offering 8' x 10' booths in the foyer and 6' tabletops in the expo hall, allowing for more personalized interactions between you and your visitors.

### Booth Representatives

In years past, we have allowed up to three booth representatives for each exhibitor. This year, however, due to social-distancing precautions, we must limit the number to two.

### Important Dates and Deadlines

**January 14, 2022:** Early registration deadline for exhibitors

**April 27, 2022:** Full-refund deadline for exhibitor cancellation

### Safety Protocols

Safety is a top priority, and we are committed to observing the necessary modifications and restrictions to help ensure the health, comfort, and confidence of all conference attendees. We will continue to monitor new protocols as mandated by the State of California, and you have our assurance that our event will be in complete compliance.
